Bio:

Art is cybercrime expert with almost 40 years of experience in law enforcement and corrections. He has been recognized with top awards for his work in promoting cybercrime awareness and control tools within community corrections, including honors from the American Probation and Parole Association and the Federal Probation and Pretrial Officers Association. In 2016, he received the High Technology Crime Investigators Association (HTCIA) Lifetime Achievement Award, underscoring his contributions to the field. Art is a lifetime member of HTCIA and former International President. He is the author of *The Cybercrime Handbook for Community Corrections: Managing Offender Risk in the 21st Century* and co-authored with Todd Shipley *Investigating Internet Crimes: An Introduction to Solving Crimes in Cyberspace*. His and Todd's second upcoming book *Surviving a Cyberattack: Securing Social Media and Protecting Your Home Network*, is set for release this fall.
